

Remarks

Claims 24 - 46 are pending. Favorable early consideration is respectfully requested.

The original claims have been cancelled and re-presented as new claims 24 - 46, to eliminate multiple and multiple/multiple dependencies, and to employ conventional U.S. language usage. The Specification has been amended to include recommended U.S.P.T.O headings and subheadings, to add a Summary of the Invention section and an Abstract, and to correct minor translation errors in the Table. No new matter has been added.

Respectfully submitted,

KURT STARK ET AL.
